Love Truth Care Ministries Mountain Miracles

“Mountain Report”

June & July teams

by Jim Phillips

In June LTCare Ministries hosted Duane Baxter and 18 first and second year medical students from Mobile, Alabama. The students worked under the tutelage of five Honduran doctors and

saw 357 patients and dispensed medication during the one day clinic they held at the Community Center in San Matias. The first CMM-SA team came to “The Mountain” in 2008.

In July Richard Thornton and a team from Community Baptist Church in Columbus, MS came to serve. CBC members sponsor 15 MDM children. The team

painted this church, a building at MDM, did outreach in the mornings, taught the children, and helped MDM staff distribute the quarterly food allotments to the mothers. Small team, big hearts, great job...awesome God!

"The wisdom of a 15 year old young man"

Juan Carlos's story...

Please let me introduce you to Juan Carlos Ortiz. He is 15 years old, an artist, he attends San Matias School #1 and will graduate from the ninth grade this year. He is also in our MDM after-school program.

In February a construction team from Little Rock, AR and Greencastle, PA worked alongside 15-20 volunteer men from the community at his school (below). The team helped them finish a new kindergarten building by adding a roof and pouring the concrete floor, and also helped re-roof their community center/high school.

"I saw men from different nations, who did not understand each other's language, working together all week in brotherly love."

A week later I was with Juvenal at the MDM facility where Juan Carlos comes after school for homework assistance, tutoring, art classes, and spiritual formation. Juvenal invited him, his father and his younger brother to have dinner with us that night. As we were visiting over our meal, Juan Carlos said, "Do you know what touched my heart the most about the team?" *"I saw men from different nations, who did not understand each other's language, working together all week in brotherly love."* We all sat stunned at the observation and wisdom of this young man. He was not impressed by the wealth of the North Americans, the equipment, buildings or material things...he was touched by the "brotherly love". Jesus said it best, *"A new commandment I give to you, that you love one another; as I have loved you, that you also love one another. By this all will know that you are My disciples, if you have love for one another."* (St. John 13:34-36)
